## Initial Writing Review

**Directions:** Fill in each area, when directed to do so.

**PART 1** - After viewing/listening to your recorded video conference feedback in Focus, what are your takeaways? In other words, what did you learn from the feedback given to you? Refer to your graded (typed) essay, as needed. Write your answer in the space below. If more room is needed, attach a separate sheet of paper.

**PART 2** - Once you have responded to the feedback, you will need to review your typed essay. Use your informative/explanatory rubric as your guide and write down the score you think you earned in each category. Add up the points and write your predicted total score. The highest possible score is 10.

PFO (1-4 points)	EE (1-4 points)	C (0-2 points)	TOTAL (2-10 points)
			_____/10

A passing score for each respective category is...

3	3	2	8
---	---	---	---

**PART 3** - Now, we'll learn our actual scores. Once your paper is passed back, write your earned score below:

--	--	--	--

**PART 4** - Highlight any areas that are:

- exceeding the passing score in blue
- meeting the passing score in green
- below the passing score in yellow
